

Arlington Heights SD25 presents

RICK WORMELI

and invites you to join us for an evening of information and discussion on...

Standards-Based Assessment and Grading

Rick Wormeli is the author of the award-winning book, *Meet Me in the Middle*, as well as the best-selling books, *Day One and Beyond*, *Fair Isn't Always Equal: Assessment and Grading in the Differentiated Classroom*, *Differentiation: From Planning to Practice*, *Metaphors & Analogies: Power Tools for Teaching any Subject*, all five from Stenhouse Publishers, as well as *Summarization in any Subject*, published by ASCD. His new book, *The Collected Writings (So Far) of Rick Wormeli: Crazy Good Stuff I Learned about Teaching Along the Way* was released in January 2013.

Rick will be talking about standards-based assessment and grading. Although District 25 has used standards as the basis for instruction and curriculum for decades, a modern standards-based assessment and grading approach looks beyond typical A, B or C grades or simply meeting benchmarks when examining student growth and achievement.
