### Bring in Plastic Bottle Caps!

We need more plastic bottle caps for our fifth grade mural project. We can work with different colors and sizes. Please send them in with your children or you can drop them off in the school office.

### Principal's Desk

#### Summer is almost here!

It is difficult to believe this is our last *Eagle View* and Friday Packet of the school year and that summer is almost here! For our last four days next week, we will be involved in final school projects, end-of-year celebrations and school assemblies. All K-5 students will attend a Water Safety presentation that was offered to the district in order to promote safe habits. Mrs. Polito has also arranged for the Arlington Heights Memorial Library to come and provide an overview to the students about some recommended summer reading and programming they are offering to reinforce reading all year long! On Thursday, the children will get to visit the next grade level's team and we will enjoy an all-school closing assembly. It will be a time to recognize all the different accomplishments of the children this year, say good-bye to one another, and celebrate the close of a successful school year. Students will go home with yearbooks and their last trimester progress reports at the end of the day Thursday, their last day of school.

### Celebrations and Wishes

We wish our fifth grade students, teachers, parents, and Mrs. Opitz a wonderful Fifth Grade Music Show and slideshow!

We thank Mr. Hengels, parent volunteers, students, and teachers on what we hope will be a great Field Day. Otherwise, we look forward to Monday, as there is lots of planning and work that goes into this fun day for both primary and intermediate students!

We thank the PTA for bringing us our yearbooks. We look forward to receiving them next week and signing yearbooks together to close the year!

We wish our fifth grade students and families who are "graduating" onto Thomas all the best. You have helped to make Ivy Hill the special place that it is today!

To close the year, I will send home information and a general timeline for summer communication with the school community, including: Ivy Hill's office hours, class placement letter mailing dates, important Ivy 14-15 dates, school supplies, and other frequently asked questions/information to assist our families over the summer for when you already begin to start thinking about the 2014-2015 school year!

On behalf of the Ivy staff, we want to thank you once again for your partnership in the education of your children. We have been relishing these final days with them. Have a safe and wonderful summer!

#### Proof of Residency

Thanks to all of you who have registered online for the 13-14 school year. This is just a reminder that if you have not yet turned in your proof of residency, you are not officially registered. This needs to be turned into our office to complete the registration process. Class placement letters will be held in August for those families without a new proof of residency on file. (This needs to be submitted every year.) Please help us to prepare for next year by completing the registration process!

Don't forget;

The rest of the Ivy Hill Friday Packet is online <http://ivyhillpta.wordpress.com> Please visit the Ivy Hill School website for information about school and classroom happenings! Click on Parents/Friday Packet!

*Our mission is to create a community that provides learning opportunities, which meet the diverse styles and needs of all students, in order to achieve academic and social success while promoting life-long learning.*
